# Direct Play Download Windows 7 WORK

Because Microsoft has decided to release our games for Windows Live, DirectPlay is no longer a requirement for modern applications or games. However, you can still download... If you have Windows Live, you have access to all DirectPlay features and functionality. ... If you don't have Windows Live but still want to play the latest games with DirectPlay, we have the solution. Download the Windows update package. If you already have Windows Live, then this service pack is the way to go. If you don't have Windows Live and don't want to buy it, then use the "games without Windows Live" feature. ...
