I am able to play a blues chord. The problem is that I can't play anything else than blues chord (B.B. King, Clapton, etc.). I can play blue note chords (C, D, etc.) but I struggle to be able to play chords in the major or minor. When I practice, I do some exercises about the blues but, I tend to have some problem to find the way to play the blues (for example a drop D). I am looking for a way to learn the blues, for a beginner like me. A good book for lessons would be good, so I could practice the blues over and over again. Should I learn
