This Game is simply a creation of gamesgamelab that want to create serious games for education purpose. The adventure of learning with gamelab started in 2003 in Québec, Canada, when the studio GAMESGAMELAB was founded. The Gameslab quickly become renowned for its "The House of Learning" experience, a storytelling game that engages players in a sociological journey by letting them discover and explore social issues. Players become mappers and participate to create the journey by collecting elements, tests, data and sharing information and thoughts on this content. Players share their experience by playing and discussing with people who have similar passion. The House of Learning project aims at achieving not only better well-being, but also better learning through knowledge sharing. The House of Learning project has been created for schools, parents and teachers. As of 2012, a complete collection of Game Stories and One-to-One Learning Materials has been published. More than 1000 teachers from all over Canada have tested the House of Learning resources. About the GAMESGAMELAB team: GAMESGAMELAB is made of 14 game designers, graphic and multimedia artists, storytellers, animators and teenagers who think of a better world through play. To learn more about our team and gaming projects visit: KOLK, Gamesgamelab and Doroseit are all part of the Community of the creators of L'Ecole Publique, a platform in Montreal of education team who are part of an internship program in the Quebec government, officed by the Conseil de la Culture. Our team projects aims at education, research and creation of serious games for such themes as the future, transportation, nature, social issues and more. Traverse a trip from the countryside, to the city, to the wilderness, as you learn the mystery of the family of Ojai. By discovering things that have been left behind, your mother Opal and yourself will meet the consequences of your actions. They'll embark on a journey together, and you'll watch, as they discover their relationship, and the relationships you had with your mother, growing and becoming more intimate as they seek the truth of the past, together. Learn more about "Open Roads" on: Make a game design request from Fullbright (game title + genre), and it could be added as a special thanks reference. Tess Devine and her mother, Opal, discover a cache of old notes and letters carefully stashed away in the attic of their house. Hints of deep-rooted family secrets, decades-old burglaries, a lost treasure somewhere near the Canadian border. What they uncover suggests a much darker mystery, best left well enough alone. But that's not going to happen. In Open Roads, Tess and Opal embark on a road trip adventure to explore a series of long-abandoned family properties, unearthing the past. They'll search the ruins of these places that hold buried memories, things Opal has tried for years to forget. And in this search, they'll discover not just the truth they've been seeking, but each other. Featuring star performances by Keri Russell (The Americans, Star Wars: Rise of Skywalker) and Kaitlyn Dever (Booksmart, Uncharted 4). Features: Experience the story of Open Roads as 16-year-old Tess Devine, on a road trip with her mother to discover what has been left behind in evocative places forgotten to time. Bask in classic road trip vibes as you chill in the car en route to your next destination, fiddling with the radio and chatting with your mom. A groundbreaking art style melds detailed first-person environments with beautifully hand-animated characters, bringing the adventure to life. A unique and engaging interactive dialogue system moves the narrative along, exposing character flaws, secrets, and buried truths. A mother-daughter road trip adventure from Fullbright, the award

Pathfinder 2 RPG is a rules-light, character-driven, high action game featuring fast play and intuitive gameplay. It uses a method called "Planning Patrols" to enable players to plan their combat encounters ahead of time, all in the same session. This means there is no delay between planning and playing. Enjoying a game on the fly with a group of friends in a pub or café, stream, cyber cafe or on a tabletop at home is now an easier and more social experience. Pathfinder 2 also includes a simple to understand layout that makes the game accessible for anyone to play. Game Features: Fast Play Play & Play In The Moment! Not knowing when the next session will be? Planning your combat encounters right away means that you and your friends will enjoy a combat style RPG game, where you can get into the thick of the action while waiting for your turn. Planning Patrols Planning Patrols, part of Pathfinder 2's new Plan Phase, allow players to plan ahead their combat encounters by creating token maps and tokens for combat encounters. When it is time to play, you can quickly make the tokens appear as needed, and then simply drag and drop the tokens from the Plan Phase into your play zone. Instant Replay You can immediately replay game sessions to see or adjust your actions. Review your plans, receive advice, or simply hit "replay" to get right back into the action. You'll never be bored or stuck waiting for an action, because the more you play the better you get. Themed Encounters Encounters are themed to help you quickly plan your next adventure. You can use these encounters to recreate old favorites or plan your own adventures. Additionally, as you gain XP, you'll obtain more encounters at each level. Great for Gamers and Non-Gamers alike Pathfinder 2 is fast-paced, easy to learn, and great for both gamers and non-gamers, making it the perfect game for beginners and seasoned veterans alike. More than just a Game Pathfinder 2 RPG is a whole new kind of game. Without the need of a sheet of paper or tedious prep work, you can focus on the fun of enjoying a tabletop game with your friends. The Pathfinder 2 RPG Book and dice contains everything you need to play. About the Author Vaughan is a screenwriter and dungeon master with credits in television, film, and games. He also created the best-selling Web series, Beer
