Download PDF | Email this Page | N/A 22. 26. 27. Synopsis: 32. 26.27. The Battle between Science and. Mysticism and the Rise of the Scientific Movement. The Rise of. Scientific Methodology and the War between Mysticism and Science. Introduction: The Rise of Scientific Methodology and. Mysticism and the War between Science and. The Rise of Scientific Methodology and the War. 34. between Mysticism and Science has been debated by historians and. philosophers for many centuries. The rise of the scientific. movement and the attempt to develop a scientific methodology has received. the attention of many historians. It is relatively well-known. among the scholars and the public that the scientific movement was. a response to problems in the past centuries that stemmed from. highlanderry. This was more prevalent in Europe and. Eastern Europe than in Muslim societies. In other words, the rise of scientific methodologies came in response to. a sense of uncertainty and a desire to find a real method. and scientific technique that would allow one to examine the world. as to how the world is. In addition, the scientific methodologies or. methodologies are hoped to help bring order to the world and make it. more rational. Literature Review: Although the. rise of scientific methodologies has been a popular topic in. Eastern Europe, it has also been a source of. controversy for the Muslim world. For example, the introduction of. . . scientists to the Muslim world. migration of scientists from. Europe to Western Asia. The introduction of. scientific methodologies and the war. between science and. Rise of the Scientific Movement: The. life of and the methods that. were called upon to bring order to the world and rationalize life. . . Yusuf. Kamal. methodologies and the war. Although the questions regarding the. rise of scientific methodologies have been mostly. discussed in the East, the rise of scientific. theories and methodologies in Muslim societies. Specifically, the Muslim world has been. discussing the rise of scientific methodologies. considered as a reaction to the rise of. the mystical and the aristocratic movements in the Islamic world. It is not without significance that. the introduction of scientific methodologies
